Growing skills with Statewide Contract PRF51

## Statewide Contract PRF51 Kickoff Event

The Operational Services Division will be holding a Kickoff Event for The Statewide Contract PRF51: Training Services that provide fantastic development programs and resources that help advance your team's skillset. The Training Services contract is focused on providing training services to public employees, public workers, and in some cases the general public in training areas that are not highly specialized, such as:

- ◆ Information Technology Training
- ◆ Professional Development Training
- ◆ Instructional Design and Course Development
- ◆ Delivery of Content

This Kickoff Event will provide an opportunity to meet and network with the newly awarded vendors on this contract. If your department or program is looking for fantastic development programs and resources that will advance your team's skillset, mark your calendar and come meet the vendors on July 17<sup>th</sup>!
